

**Remarks**

Claim 31 has been amended to remove the phrase “via the actions recited in claim 30.”  
Claim 50 has been amended to remove the phrase “The digital signal processor of claim 46.”

No new matter is introduced by these amendments, nor is the scope of the claims changed. As such, they should require no additional work on the part of the office.

Applicants request entry of this Amendment without withdrawing the application from issue and issuance of a Supplemental Notice of Allowance that reflects that the claims as listed herein are the allowed claims.

Respectfully submitted,
